The CFBA wishes to show support for the citizens of Fort McMurray & area, and the CFBA Board of Directors has approved a \$1,000.00 contribution on behalf of CFBA members and the Association. Monies will be donated to the Canadian Red Cross - Alberta Fires Emergency Relief to assist the residents who may have lost their homes and are in distress due to the wild fires that are burning out of control in the area.

Donations/pledges will not be requested from CFBA members, but the CFBA will instead donate the \$1000.00 on their behalf. We thank our members for their support of this donation.
