*COCA, LDCA, MNP and BDC deliver to COCA members the following time and business critical webinar:*

## **COVID-19 Government Financial Support Programs for Businesses- MAY 8, 2020 8:30AM**

COVID-19 is having a very negative impact on the health, social and business environments in Canada, with limited to no visibility of when life will return to normal.

Both the provincial and federal governments have implemented a range of financial supports that businesses can take advantage of. The federal programs are significant and could provide businesses critical lifeline cash to help them get through this crisis.

To assist COCA members gain a better understanding of the available programs and how to access them, COCA and LDCA together with LDCA members MNP LLP and Business Development Bank of Canada (BDC) have created an important webinar that COCA members and the their members should attend.

Ms. Melissa Aveiro, CPA, CA is a Partner and Regional Tax Leader of MNP will lead the presentation. As importantly, and making Melissa uniquely qualified, is that Melissa's family owns Aveiro Constructors Ltd. Melissa, as you do, lives the impact of COVID-19, at the kitchen table in a directly personal way.

BDC is the named lending agent for a significant portion of the government of Canada's financial support program. Mike Abela, is not only quite knowledgeable on the parameters of the program, but could also end up being your lender.

Please join us, these 90 minutes could help keep your company financially healthy.

### **The webinar is planned as follows:**

1. Types of government financial supports available for businesses including:
  - a) How to access these supports
  - b) Reporting and other government requirements
2. Common Scenarios (do these programs fit my company and need)
3. Q&A with participants
