DECLARATION

I recognize that members of the CANADIAN FARM BUILDERS ASSOCIATION are committed to achieving excellence in all aspects of farm building. I will review the information provided by CFBA, and I will participate in CFBA events and seminars to enhance my knowledge of quality practices within the farm building industry.

I agree to adhere to the standards of practice and proper conduct outlined in the CFBA Code of Ethics and By-laws. I understand that failure to comply with these standards may result in the revocation of my membership.

I acknowledge that the business and contact information I provide will be included in the 'Membership Directory' on the CFBA website, unless I request otherwise. Additionally, I consent to receive communications via email.

CFBA OBJECTIVES

- Foster the safety, knowledge, sustainability, and fairly earned success of our members
- Promote and advance structurally sound, sustainable, and efficient farm building in Canada
- Encourage high-quality work and fair dealings by our members
- Elevate farm structure standards through research and education
- Represent members in legislation, safety, and labour matters

CFBA CODE OF ETHICS

The **CANADIAN FARM BUILDERS ASSOCIATION** is dedicated to promoting the practical construction of the highest quality farm structures.

As a member of the CFBA, you agree to dedicate yourself to the following standards:

- Comply with the National Building Code, the National Farm Building Code, and all other applicable laws, standards and regulations as a minimum standard for construction and business operation.
- Farm building construction workplaces will be safe workplaces and all farm building construction workers will work in a safe work environment and be provided with all applicable Federal and Provincial protections.
- Operate your business in a manner that does not support the underground economy.
- Deal fairly and honestly in all matters with customers, employees, sub-contractors, financial institutions, suppliers, professionals, colleagues and competitors.
- Refrain from the use of false or misleading advertising.
- Refrain from making false or misleading statements about competitors and their products.
- Refrain from taking on work for which a member is not competent
- Refrain from discussions or actions that may restrain competition.
- Seek appropriate compensation for services rendered.
- Stand behind all work, products or services provided in accordance with applicable contracts and warranties.
- Stay current on changes to applicable laws, regulations, safety standards, and construction standards and techniques.
